Service 1 st FCU	United States Department of Agriculture (USDA)	

WHAT ARE YOUR GOALS FROM PARTICIPATION WITH RBI?

(what do you hope to get out of working with us?)

***Attach a copy of your most recent resume to this form before sending.**

Disclaimer: This application is for RBI eligibility and/or initial assessment for RBI program enrollment. You will receive an e-mail communication as to which program you are eligible for with additional instructions if needed for a specific program.

RBI programs exist to provide support to entrepreneurs and start-up companies. This support establishes access to resources, including but not limited to: financial assistance, partnerships, investment opportunities, research and development and more. All in an effort to accelerate commercialization and the technology transfer processes.

Once accepted into one or more of the eligible program you may be required to report specific information regarding your business based on your program and requirements administered by the entity that funds the program. All financial assistance programs are subject to change without notice due to availability of funding. RBI is a public/private partnership that receives funding on an annual basis from government programs and private cash contributions.

**** All RBI clients that receive financial assistance are required to participate in a minimum of three (3) events per year: (2) workshops per year – one (1) of which must be financially focused, and the other workshop can be any subject matter; and one (1) networking event.**

Regardless of program eligibility all applicants are eligible for the free business consulting services and can register for any of the RBI educational/training and technical assistance programs that are offered. All training and educational programs can be found on the RBI website at: www.ruralbusinessinnovation.org/training

All clients receiving financial assistance must also provide semi-annual reporting which is managed through our comprehensive survey process. RBI prohibits discrimination in all of its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and/or marital and family status.

RURAL BUSINESS INNOVATION IS AN EQUAL OPPORTUNITY EMPLOYER AND SERVICE/LOAN PROVIDER.
